September 2020

Dear Parent/Carer,

I hope you've all had a lovely summer and your routines are getting back to normal. We are enjoying being in C1/2G and are looking forward to an exciting year ahead!

This term our P.E sessions will be every Wednesday and Thursday. In line with the current guidelines, we are not requiring a change of P.E kit, but children may come dressed in appropriate P.E wear if they wish. We will be outside for PE as much as possible, therefore a clothing/outerwear suitable for outdoor P.E is necessary to ensure we are safe and warm. Earrings and other jewellery are best left at home on PE days, or tape (brought from home) can be placed over earrings for safety.

We are finding that clothing and personal items are sometimes still getting mixed up, so if you could remember to label everything it would be very much appreciated!

Please send a full water bottle to school with your child as we actively encourage drinking water in class to keep us thinking!

Parental support is greatly appreciated at all times but is particularly valuable during home learning sessions and we shall have further details on how this shall look soon. It would be very helpful if home learning could be encouraged and supported at home.

As part of the arrangements for non-contact time Ms Thomson will be teaching the class on a Wednesday, although this could be subject to change throughout the year.

We have an absence hotline in school which we would ask you to call before 10am in the morning to inform us of any absence please - the telephone number is **01786 476577**.

Lastly, if you have any questions or concerns you would like to discuss please send a note with your child or send me a message on Seesaw and we will get in touch.

We are all excited about a fun and successful year in C1/2G!

Yours sincerely,

Ally Weir
